RE. State of New Mexico vs. Wayne Bent AKA Michael Travesser

Dear Donald Gallegos:

I was informed that people think I am a victim of some violent crime committed by the above-named defendant, Michael. I am unaware of ANY crime committed by him OR that I am a victim of. I was sent a "Victim Impact Statement," but I am NOT a victim, and I will not sign them or any paper saying that I am.

I was given a copy of the "Grand Jury Indictment." In the first charge against Michael, it states as follows: "...Wayne Bent, did unlawfully and intentionally touch or apply force to the unclothed intimate parts of L.S. and L.S. was at least thirteen but less than eighteen years of age, and the above-named defendant, Wayne Bent was in a position of authority and he used that authority to coerce L.S., to submit..."

NO, NO, and NO. NONE of those things occurred EVER, and I have testified over and over again that they haven't. Michael NEVER molested me or touched me sexually in any way, nor did he use authority to coerce me. Why can't you hypocrites believe me?

The charges brought against Michael are false and you have NO proof for them. It was because of these very same false charges that you allowed CYFD to kidnap me from my home. You say you just want to make sure I am safe and not being abused. I have stated over and over and OVER again that I am safe, secure, and very happy in Strong City, unlike in your world where I have experienced much pain, sadness, loneliness, and heartache. I have also made it very clear that Michael has NOT sexually abused or touched me in any way. So why do you hypocrites not believe me? I am nearly seventeen! I know what I am talking about and what has occurred.

I do not know who brought the charges against Michael, but whoever they are, they were not present when I was with Michael or witness anything that occurred between us. The only people present were Michael and myself, and we told you what happened, but you still believe a lie instead of the truth. I have told people over and over again that Michael did NOT sexually abuse me, use me, molest me,

touch me inappropriately or sexually, or force himself upon me to submit to him in any way. Everything He did and does was and is at my request and desire. It was pure, heavenly, and undefiled by any perversions or human lusts or sexual desires. It was purely of God, and it was all legal. Michael NEVER initiated or asked for anything.

Your world is what is unsafe. Murders, rapes, molestations, adultery, "minors" getting pregnant out of wed-lock and some of them have their babies killed, which is called an abortion, and it is lawful for them to have their babies killed in that way. All these things happen in your world everyday, but have NEVER occurred in Strong City, and you want me in you world? Hello is anyone home? You are absolutely out of your mind and have gone mad to take me out of a place where NONE of those things exist and stick me in your world cult where those things thrive.

So who gave you the authority to say it is a crime for a young woman who has gone through puberty to lay naked and skin to skin with an older man than her, AT HER REQUEST? Who told you it isn't right? Did God? How do you find it ok for men to marry men and women to marry women, and even find it ok for a young woman under the age of eighteen to marry a man near her age, but do not find it ok for her to marry an older man? Did God give you this judgment and authority? No, so why are you having such a fuss about Michael's and my relationship when there has not been any sexual contact at all whether molestation, rape, sex, or sexual touch?

I have posted my testimony on the Internet and I have also stated it orally many times. I have shared everything there is to share, I have not hidden anything, but I have been accosted with questioning as though I am. I haven't told you what you've ^{wanted} to hear, so you trample on the truth and want me to tell you a lie. But because I won't lie to you, you have twisted what I have said to make it say what you want it to say. You just pick out the parts in my testimony that satisfies your purpose but omit the rest. You are so gross and evil-hearted. I am disgusted with what you have done. You have perverted justice, and it sticks to high Heaven.

What ^{happened} happen to freedom of religion? Why can't I, another human being just like you, be free to do as the God of Heaven is leading me? Who gave you the authority to step in between God and His creation? What makes you think what you are doing is right? What authority did God give you to interrupt the flow of our lives in Strong City when there has been no crimes of any kind whether it be sexual abuse, neglect, or control of hearts, minds, or bodies by any human being? Did the God of Heaven? No, for you do not even believe there is a God. If you did, you would believe Michael's and my testimony and also that of those in Strong City and leave us to follow God as He

directs us. It is none of your business what we do. But instead your heart is hardened and you say, "Who is your God that I should obey Him?" There are going to be consequences for you because of what you are doing. You are perverting justice and blaspheming the God of Heaven. God won't look you over, but your judgments will look you in the face.

I would like to make clear to you right now that I am NOT a victim of Michael, and I will NOT play the roll of a victim whatsoever. I will NOT witness for you against Michael in ANY court. I am not your puppet, and I will not let you use me to prosecute Michael. I will NOT take the stand as a witness against Michael for you and lie. I will NOT be cooperating with you or CYFD in anything ANYMORE.

I am NOT the State's property, and I do not owe them any obligations. I am God's property - the One Who made me, and I want to be free to study, believe, and live as I desire. God gave me a conscience, and I have the right to follow where He is leading me.

I would like to ask to be released to my parents' custody with no restrictions on where I can or can't go and what I can and can't do. I do not want ANYTHING to do with the CYFD or the State anymore, and I want to be let go unconditionally and completely free of any agreements or connections with CYFD or the State. I want to be cut off clean and completely free, and I will NOT be cooperating with you or CYFD in anything anymore. AND I want the State to return to me my journal that they stole from me.

My Father in Heaven put it strongly on my heart to write this letter to you on June 22, and He told me very clearly that I am to be done with you and to not play your game anymore. I AM NOT your partner in your game of total injustice. You have not believed me, and I want you to clearly understand right now that I am done, and I will not be speaking of these matters with you anymore. I will not be answering any questioning in this regard anymore also. Believe my testimony without twisting it and drop the charges you have against Michael and release me to my parents' custody.

Sincerely,

 AKA Healed
